

SUPPLIES FOR SOLDIERS

Serving Those Who Serve

December 2016

I regularly am asked "Where Does The Money Go" from concerned donors who are rightfully curious.

- Supplies For Soldiers is a 100% volunteer driven group. No one takes a salary.
- Supplies For Soldiers does not pay any administrative costs:
 - No rent
 - No utilities
 - No contractor fees
- 100% of all income goes to support the mission of:

"Serving Those Who Serve"

This means that all income pays for:

- shipping supplies
- shipping
- items to ship

Nancy and I funded the costs to start Supplies For Soldiers. This included the nonprofit paperwork, web site, initial shipments to the troops, gas, shelving, and supplies. We did not and will not take a reimbursement for those expenses (over \$2,000).

It is our desire to keep Supplies For Soldiers a volunteer driven group and rely on donations to fund our needs.
